Senior Living Community Move-In Partnership Guide

A coordinated welcome considers the resident, their family and the entire community.

Resident: _____ Move date: _____

Before the move

- [ ] Confirm the approved move-in window and building procedures
- [ ] Share elevator, loading, parking and access requirements
- [ ] Coordinate family contacts and resident preferences

During the move

- [ ] Protect agreed floors, doorways, elevators and shared spaces
- [ ] Communicate respectfully around other residents and visitors
- [ ] Place furniture according to the approved space plan

After delivery

- [ ] Support a familiar and comfortable resettling process
- [ ] Confirm essential belongings are accessible
- [ ] Identify remaining questions and appropriate contacts

NOTES & QUESTIONS

GOOD TO KNOW

ReloPros is a NASMM member organization with team expertise in CRTS and CDP. We provide relocation support, not medical or clinical care; coordinate with families and staff with appropriate permission.
